

2017 Annual Meeting & Tour Point of Rocks Civil War Site

**SATURDAY, October 28th
10:00 a.m.**

Free and open to the public

Join us at historic Point of Rocks and discover the unique history of this Union foothold in Chesterfield County—the site of naval battles, a Union headquarters, hospital, burial ground and post-war freedman’s village. Walk in the footsteps of Gen. Benjamin “Beast” Butler, Clara Barton, President & Mrs. Lincoln, and Gen. & Mrs. Grant. Historian Scott Williams, contributing author & mapmaker for the Bermuda Hundred Campaign Tour Guide, will lead our walking tour. Wear appropriate footwear and clothing for the season. Snacks and drinks will be provided. Our annual business meeting will follow the tour.
