

2018 Annual Meeting & Tour Second Deep Bottom Battlefield

**SATURDAY, November 3rd
10:00 a.m.**

Free and open to the public

Tour the site of our latest preservation success on the Second Deep Bottom Battlefield. Our tour will highlight newly-acquired rifle pits and earthworks from the Bailey Creek defensive line, scene of the pivotal Union breakthrough and Confederate counterattack on August 16th, 1864. This section of the Confederate line has never before been open to the public. With this latest acquisition RBA approaches its long-held goal of consolidating the core battlefield at Fussell's Mill. Hikers should wear appropriate footwear and clothing for the season. Snacks and drinks will be provided. Our annual business meeting will follow the tour.
